

RFD & RFWD

Part of our Restofit™ line, this surface-mounted aluminum cover has minimal installation time, requires little maintenance and is resistant to rolling loads, distortion and wear. It accommodates vertical offsets and a gradual taper minimizes the bump.

Features

- For applications where low maintenance is desired
- Can accommodate pedestrian and heavy-duty loading
- Can accommodate offset in floor elevation

Benefits

- Can withstand vehicular loading of up to 3000 lbs
- Can be installed in many pre existing applications
- Can be used for new or retrofit applications
- Simple rugged design for durability and long lasting performance

RFD & RFWD
