

| HRB-20

This Acrovyn® and real wood handrail/crash rail combination features aesthetics and protection in one railing. The rail's Quick Lock mounting feature simplifies installation and is offered in a variety of finishing options to best suit your design needs. Specify "ligature-resistant" for behavioral health facilities. Models listed as "high load" have been tested to withstand 1,000 pounds peak load for bariatric facilities.

Features

- Factory finished FSC® certified wood handrail and end caps available
- Substantial securing of splice and end cap
- Acrovyn Quick Lock™ mounting brackets standard
- Behavioral health models feature continuous aluminum bracket
- Low VOC water-based wood finishes

Building Segments

- Healthcare
- Office & Mixed Use
- Retail & Hospitality
- Senior Living

Benefits

- Easy to clean
- With an extensive offering of functional and aesthetic options, this model can help meet endless design needs
- Quick Lock allows for quick and easy install, perfect for already occupied areas

HANDRAILS - INTEGRATED

HRB-20
