

DOCTORS KLINE + GREEN

Regularly featured on TV and Sirius XM radio, world-renowned, board-certified dermatologists, Dr. Mitchell Kline and Dr. Jeremy Green confidently endorse Clear + Restore® and Hydrate, the ultimate in innovative nail care products that really work – safely, easily, and quickly.

Dr. Mitchell Kline and Dr. Jeremy Green are widely recognized as two of the most admired and trusted dermatologists in the world. Now, after years of research and development, they are proud to introduce the exclusive, patented Drs. Kline + Green™ product line, featuring one of the most advanced scientific formulations you can buy today without a prescription. Clinically proven results with the remarkable benefits of advanced nail care in the convenience of your own home. All products are manufactured in a state-of-the-art, certified facility using only the highest quality ingredients. You'll feel good knowing each of our formulations has been rigorously safety-tested to ensure the very best standard of care... and you'll love how your nails look and feel after 30 to 90 days of using our product!
