

TECHNICAL SERVICES PAINTING WALLBASE TIP SHEET

INTRODUCTION

These instructions are written as a guide to be used by our sales professionals and customers. Always visit www.tarkett.com for the most current installation and maintenance instructions. Technical videos and tip sheets are also available. Contact Tarkett Technical Services at (800)-899-8916 with any questions.

MILLWORK UNFINISHED WALLBASE

Millwork surface in color 00 is unfinished and ready to receive paint. The following steps apply to this color only.

1. Ensure the surface of the base is free of dust and dirt. Wipe with a clean white cloth dampened with denatured alcohol (methyl hydrate) or 70% isopropyl alcohol applied to a clean white cloth. (Follow manufacturer's precautions when using these chemicals.)
2. Acrylic latex paints are recommended, however, consult with a paint supplier for their best recommendations for compatible paint and proper application, clean up, and disposal.
3. Install the base onto the wall. Follow all installation instructions found at www.tarkett.com

NOTE: Warranty for the paint's performance and compatibility rests with its manufacturer. Not covered by the Tarkett Limited Warranty.

TRADITIONAL COVE BASE AND FINISHED MILLWORK

For all other colors of Millwork and all colors of our Traditional cove base collections, follow the below steps.

1. Lightly sand the surface of the base with a 220-grit sandpaper. This will remove the shiny factory finish and allow the material to accept primer and paint.
2. Ensure the surface of the base is free of dust and dirt. Wipe with a clean white cloth dampened with denatured alcohol (methyl hydrate) or 70% isopropyl alcohol applied to a clean white cloth. (Follow manufacturer's precautions when using these chemicals.)
3. Paint the base using a good quality acrylic latex paint. Consult with a paint manufacturer for recommendations for compatible paint and proper application, clean up, and disposal.
4. Install the base onto the wall. Follow all installation instructions found at www.tarkett.com

NOTE: Warranty for the paint's performance and compatibility rests with its manufacturer. Not covered by the Tarkett Limited Warranty.
